Six lids in the space of one.

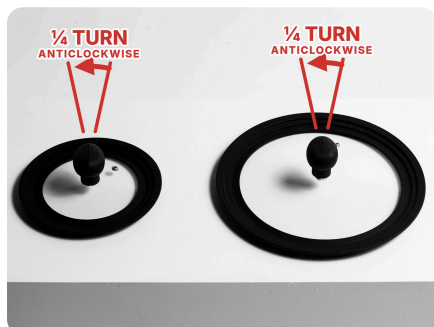

Liddy® is a universal lid set: two tempered-glass lids with stepped food-grade silicone rims, each fitting three pot and pan sizes. One set replaces up to six lids.

Quick-release handles. The handles come off, the lids interlock, and the whole set stores upright in one slim base station.

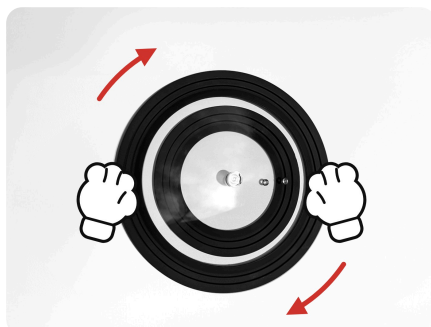

Forbes

MOST POPULAR

in Forbes Vetted's *The Most Innovative Products I Saw At The 2026 Inspired Home Show*, picked from 300,000+ products.

1 Quarter turn: the handles come off.

2 Quarter turn: the lids interlock.

3 Both lids stand in the base station.

Fit S/L set: 16, 18 and 20 cm, and 26, 28 and 30 cm pots and pans (6 to 8 in, 10 to 12 in). M/XL set in development.

Build Tempered glass · food-grade silicone rims · 316 stainless steel quick-release interlock · polycarbonate handles · molded base station

Care Stovetop use · steam vent · lids dishwasher safe · **not oven safe**

Packaging Retail colorbox about **44 × 34 × 7 cm**, barcoded · one or four sets to a carton, your choice (54 or 72 sets a pallet). *Estimates until the factory confirms the layout.*

Shipping **19% less carton space** for a five-pot cookware set packed with Liddy (40 L, against 50 L with lids on).

HOW IT IS MADE AND ORDERED

MADE BY

Master Group

Guangdong, China · 12 million glass lids a year

THE LIDDY SET

- **Black, with the liddy mark** debossed on the handles and molded into the base station.
- Ships in the Liddy retail colorbox, ready for the shelf.
- LIDDY® is a registered US trademark.

YOUR OWN, FROM 2,000 SETS

- **Your colors**, matched with FDA-compliant pigments.
- **Your mark** in place of the liddy deboss, and your artwork on the box.
- **Your handle shape** on the same quick-release platform, quoted per project.
